Quarterly report

A sample document for the KeepSimp PDF merger.
It has three pages, a bookmark for each, and a link below.

Go to "Next steps"

Summary

Visitors grew through the quarter, and most of them came back.
The busiest tool was the image compressor.
Nothing was uploaded: every file stayed on its owner's device.

Next steps

Add the page organiser to the PDF merger.

Record a tutorial for it.

The figures behind this report are in the appendix.
